RAY CIRIMELI
Candidate for Albany City Council

Ray Cirimeli Candidate for Albany Council

Ray Cirimeli of 808 Solano Avenue, Albany, has submitted the following information on his background, qualifications and aims as a candidate for the city council at the city election scheduled for Tuesday, April 12:

A graduate of Oakland Technical High School, he attended the University of California, Institute of Industrial Relations. He has been a milkman for 32 years and is employed by the Golden State Milk Company. He is 51 years of age, has lived in Albany for 29 years and is an Albany property owner. He lives with his wife Phyllis at 808 Solano Avenue. He has one married daughter and four grandchildren.

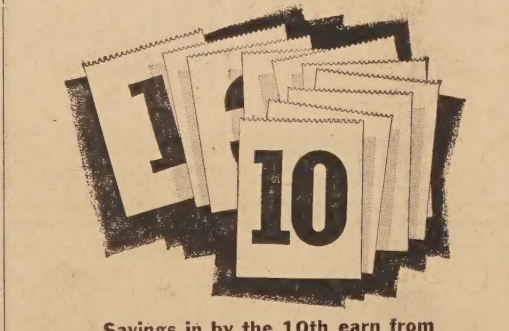

He is seeking election as an independent candidate, but claims the endorsement of a large group of property owners, as well as his union and the joint committee of the AFL-CIO on Political Education in Alameda County.

In sketching his civic activities he lists: Past President of his union, serving in that capacity for 12 years; instrumental in proposing to the council the installation of the new pedestrian traffic signals at Solano and San Pablo Avenues; is past chairman of the Albany Hill Association, and is now serving on its executive committee. He is a member of Oakland Fellowship lodge of Masons.

Band Boosters 'Beatnik Ball' Set For April 8

Albany High Band Boosters, composed of parents of all instrumental students of Albany High School are deep in plans for their annual dance, the Band Boosters "Beatnik Ball" to be held on Friday, April 8 in the school gym. This beat bash will feature such attractions as non-objective art contest, poetry reading to bongo drums contest, hippest chick and beatnik beatnik contests for both high school and over-high school ages. There will also be a roving cameraman, a real gone portraitist, food and game concessions.

Best of all will be dancing to the live music of the Albany High Band which has the reputation of being in orbit for real man! Also, square dancing to give the boys a chance to catch an occasional breath.

All this is an all-out effort by the Boosters to raise funds for musical scholarships and some badly needed instruments. One game booth and the caricaturist (Mrs. Carl Fossellus) will devote their proceeds to the "Cello fund" for the school orchestra.

Band Booster presidents, Mr. and Mrs. William Tidwell are co-chairmen with vice-presidents, Mr. and Mrs. Michael Silvester. Other chairmen are the Mesdames: L. D. Baum and Paul J. Burbage, hot dogs; Harold Morton and C. R. Quick, espresso coffee and punch. Cakes and bagels, furnished by Booster mothers, will be sold under the direction of Mrs. Fred Hendrickson. Ernest Douglas, music director, and band members will handle the decorations and sound.

Deadline On Absentee Ballots

Deadline on the issuance of Absentee Ballots for the Albany City Election on Tuesday, April 12, has been set at 5 p.m. on Thursday, April 7. Up to that time those who expect to be out of the city on election day may apply for an absentee ballot to City Clerk Myrtle J. McLean, at the city hall, 1047 Solano Avenue, during business hours.

Mt. Diablo Scout Council to Hold Big Exposition

Twenty-four Cub Packs, twenty-five Scout Troops, and three Explorer Units of the Berkeley-Albany District, Mt. Diablo Council, have indicated that they will be on hand for the big Scouting Exposition to be held Saturday, April 2, at the Berkeley High School gym, according to Jack Cahill, who is the exposition chairman.

All kinds of achievements and outdoor skills will be on display and in the process. Cub Scouts and Explorers will be more than anxious to tell you all about their particular unit. Many will have guest books for you to sign; others will have give-away samples and souvenirs of your visit to their booth.

Tickets are on sale by all members of all units. This is one of the few approved occasions when boys in uniform are encouraged to sell to the public, in order that they may be urged to come and see Scouting on parade. The Golden Jubilee Year is being observed in 1960, and many booths will portray historical periods in the progress of Scouting since its inception in 1910.

The Berkeley-Albany District serves 2,613 boys in Berkeley and Albany. It includes Cub Scouting, beginning at age eight; Boy Scouting, at eleven; and Exploring for high school age boys.

Chamber Chatter

By IRENE GROVE

Next week, April 3 to 10, is Chamber of Commerce Week! Your Albany Chamber of Commerce joins in the state-wide observance of this special week.

The state's first chamber of commerce was established in 1851. The number has grown to over 600 chambers, providing leadership and community development programs for the fast growing cities of California. Your Albany Chamber of Commerce was organized in 1920 and exists today, to promote the business and industrial interests of the city and to make Albany a better place to live and make a living.

It is the business community working together. It is the central agency that corals the forces of the community to fulfill this goal of improvement and development. For the Albany Chamber of Commerce is YOU. It draws its strength from the individual forward looking business men and women who believe

Here's Advice on City's Problem Of Too Many Cats

Pets & Pals in Lafayette and Mrs. Ralph Hanville of Pet Welfare, 3921 Ruby Street, Oakland, will try to help with the Albany cat problems, according to Mrs. D. A. Sargent, president of "Pets & Pals". She offers the following advice:

- (1) Please keep your pet cat in at nights — this is mating season!
- (2) Both male and female cats should be altered — there are 40,000,000 homeless cats and dogs in the United States so please don't add to the astronomical figures — males are responsible for more cats than the females and males are easily and cheaply altered.
- (3) The homeless cats are hungry and if fed will not cry so much.
- (4) Cats do not destroy flowers or shrubs.
- (5) Cats are not a health problem.
- (6) If you know a cat is not someone's pet and cannot feed, alter and care for the cat please call Pet Welfare, OL 5-8624 or bring to Pets & Pals in Lafayette.

AN EDITORIAL

The voters of Albany are facing a momentous decision when they go to the polls in the city election Tuesday, April 12. Shall the city's tax rate continue to be the lowest for any city in this entire area, except the industrial community of Emeryville?

Shall property on Adams and Kains, now partially used for commercial purposes, be closed to such use in the future, thereby denying business expansion back from San Pablo?

These are among the vital items you will decide by your votes on April 12.

There have been many criticisms of the city administration during recent years, yet never in the last ten years has the city's tax rate exceeded \$1.70 per \$100 of assessed valuation. The records of City Treasurer Ferreira show that during the last eleven years the rate has been \$1.62 once, \$1.65 three times, \$1.68 five times, \$1.70 once, and for 1959-60 it is \$1.68. And remember that this is the gross rate; from this should be deducted 35 cents which, according to provisions of the city charter, is exclusively for school purposes. The actual cost of city government is included in only \$1.31 of the tax rate.

This looks like a safe and sane balanced budget in a time of rising wages, salaries and all operation costs.

In spite of these rising costs the city administration has been able to add a large sum each year to the Capital Outlay Fund, to be devoted exclusively to capital improvement, such as replacement of existing buildings, or purchase of property. Out of this fund the city has a good "nest egg" of many thousands of dollars, together with ownership of property purchased outright at nearly \$45,000.

Remember how much is at stake in this coming election, and that you as an individual, have an obligation to CAST YOUR VOTE!!

This Is Albany

MEMBERS OF THE ALBANY HIGH TWELVE CLUB will hold their regular weekly meeting this Friday, April 1, at noon at the Red Barn. Part of the meeting will be devoted to honoring the past presidents of the club, with Harold Denham in charge of this part of the program. Milton Gordon will then introduce Virgil McNabb, Public Relations Representative of the Richfield Oil Co. His topic will be "A Brief Case For Business", in which he dramatically illustrates the interdependence of small and big business.

THERE WILL BE A FUND RAISING COCKTAIL PARTY for John A. Zoro on April 2, at 8 p.m., at the home of Robert G. Smith, 1779 Tacoma, Berkeley. All are invited to participate.

ALBANY POST NO. 2658, VFW and its Ladies Auxiliary will hold their 29th joint annual installation of officers on Tuesday evening, April 5, in the Albany Veterans Memorial Building. The hour will be 8 p.m.

THE NEXT REGULAR MEETING of the Mother's Club of Bethel No. 265, International Order of Job's Daughters, will be held at the home of Mrs. F. Pablo Avenue, Penny Wells, Tuesday, April 5, at 7:45 p.m. Assisting Mrs. Blank will be Mesdames Juanita Weber, Ruth Straka and Olga Morton.

CITY POOL SANITATION DISCUSSED BY COUNCIL

A large delegation was present at Monday night's council meeting to protest closing of the play pools at Terrace Park and Memorial Park by the Park and Recreation Commission. The matter was fully discussed by the council with members of the audience participating.

Final decision of the council was to have Park Superintendent Elmer Nelson consult with the Jacuzzi Pump Company of Richmond as to cost of a complete filtering installation for Terrace Park, including the cost of revamping the pool outlet and inlet and the work necessary to correct the present unsanitary condition as reported by the State authorities and Albany Assistant Health Director L. Raynor Talley. Cost to the city of the required pump was listed as \$108.75 to the city, but considerable other work would be necessary. The council indicated it would approve of the installation if the cost were at all reasonable.

There was considerable discussion on the reported plans of the Five-County Rapid Transit District to route its proposed line as an overhead structure following the Santa Fe Railroad right-of-way from Berkeley to El Cerrito. Mayor Blank reported he had been in constant contact with the District officials, and that its engineers were engaged in considering alternative routes which might overcome Albany's objection to the removal of some 30 or 60 homes to make way for the proposed overhead structure. He said he had been informed it would be some weeks before their studies could be completed.

Mayor Blank outlined several alternative plans which he had discussed with the authorities. One would route the line out Shattuck along the old Key System right-of-way and through the tunnel at the head of Solano Avenue, thence by underground for approximately a mile into El Cerrito. This, he said, would be nearly twice as expensive as the proposed overhead, but would avoid removal of scores of Albany residences and introduction of an unsightly overhead in the center of the city.

Another plan would carry the route along the Santa Fe line, but place the rapid transit trains entirely underground. A third route, also underground, could be run along San Pablo Avenue, but this the engineers objected to very strongly as requiring a big swing from Shattuck Avenue underground into the center of Berkeley. Mr. Blank said the objection voiced by the engineers to the underground system was on the basis of the largely increased first cost.

Councilman Howell recommended a strenuous vote drive in Albany against the proposed transit bond issue in November, if the District officials prove adamant in sticking to their original plans. Mr. Howell said he believed they would think twice before going to the extreme, considering the magnitude of the bond issue they propose, and that its passage would require a two-thirds majority of the voters for it to carry. He said the Alameda-Contra Costa bond issue only carried by a very small majority, although the two-thirds vote requirement had been eliminated by legislative action.

The council also approved the expenditure of \$2350 from available funds for a detailed study

Don Mulford To Be Candidate For Re-election

Assemblyman Don Mulford (R) today announced his candidacy for re-election to the Assembly of the California State Legislature for a third term. Mulford, representing Berkeley and Albany 18th Assembly District is one of three Assemblymen named to represent the State of California at the President's Golden Anniversary White House Conference on Children and Youth being held in Washington March 27 to April 2. Mulford has long been identified with youth welfare activities.

His legislative record includes Vice Chairman of Military and Veterans Affairs Committee. He has authored legislation at this session to place veterans' home purchase bonds on the ballot in the 1960 election.

As Chairman of the Fire Protection Committee of the Public Health Committee, on which he serves, Mulford has been conducting hearings throughout the State prior to rewriting the housing code and recommending to the Legislature school fire safety legislation. As a former member of the Narcotics Subcommittee, he has consistently fought for tighter laws and more enforcement officers. He also serves on the Government Organization Committee, Revenue and Taxation Committee and on the Air Pollution and Radiation Subcommittee of the Public Health Committee.

Married and the father of two sons and two daughters, Assemblyman Mulford resides with his family at 6460 Mystic Street, Berkeley.

William Beall will be program chairman and the meeting will be held at the Red Barn Restaurant in Berkeley.

Public Invited To Guided Tours At Phone Company

Public Telephone announced today it is conducting special guided tours of its central office and other operations at 2115 Durant Avenue, Berkeley.

Manager F. L. Standart said the public is invited to look behind the scenes of local telephone service. Tuesdays through Fridays until April 29. Hours are 2 to 4 p.m. each day.

Besides close-up inspection of such facilities as dial telephone equipment, Standart said, the public may see exhibits and demonstrations in communications.

Tours last about 45 minutes, Standart said. To make sure guides will be available, persons interested in joining any of the 45-minute tours should dial THornwall 3-9000 and ask for "Guided Tours," the manager added.

Service clubs and other organizations have been sent special invitations to attend the open house program, he said.

Nurses Group Holds Meeting

Alameda County Nurses Association held their regular assembly meeting in the Piedmont Avenue School auditorium, 4314 Piedmont Avenue, Oakland, on March 23, 1960.

The speaker was Dr. Robert McRoberts, Obstetrician and Gynecologist practicing in the Oakland area. His subject on "Hypnosis" was both educational and interestingly presented.

St. Jerome Guild Holds Series of 'Sewing Bees'

Eighteen First Communion sets for girls have been made by members of St. Jerome's Catholic Church Guild as a Lenten project.

The sets, each including a dress, slip and hand-bag, were completed at a series of sewing bees held by the El Cerrito group. They will be turned over to the National Council of Catholic Women for distribution through the Pope's overseas storerooms.

Mrs. Norbert Graves and Mrs. Richard Edwards served as co-chairmen of the project. They were supported in this undertaking by Mesdames Raleigh Gullickson, N.C.C.W. representative from the Guild, Henry Boyd, Henry Leskowski, Frank Maiss, Paul Breitenbach, Vincent Buescher, John Hritz, S. L. Moynahan, Ray Powell, L. G. Tenbrink, Nicholas Romick and Lucius Pierce.

The next meeting of St. Jerome's Guild is scheduled for Tuesday evening, April 5, at 8 in the parish hall.

Mrs. Millard George and Mrs. Richard O'Connell will serve coffee to members following the business discussion. They will be assisted by Mesdames Thomas Moore, Leo Van Sistine, Richard Kistner and Donald Etcheberry.

Tickets for the post-Lenten dinner dance to be held April 23 may be obtained from Mrs. Jarvis Oldham or Mrs. Verne Johansen.

APPLYING ARITHMETIC: Using a milling machine combines mechanical skill with a practical application of mathematics. Albany High School metal shop students Robert Chester, John Walden and William Blank listen to instructor, Robert Hughes, explain how calculations transferred to micrometer dials determine the width and depth of a cut. Approximately 400 students in industrial arts classes at the high school learn to apply mathematics in class activities and individual projects.

LEARNING READING SKILLS: How second grade children learn reading skills through phonics, is aptly illustrated in this picture, taken in Mrs. Mary Lee Saxton's classroom at Cornell School. Patty Maluka, Virginia Martinez and Shirley George, having finished their board work, watch as Michael Mohr selects the correct word to complete the sentence. In this way, youngsters learn to recognize both by sound and by sight, parts of words which are alike, but which need to have the initial sound changed to make sense.

LETTERS TO THE EDITOR

(The convictions expressed by the writers of letters printed herewith are their own, and do not necessarily represent, or imply the attitude or policy of this newspaper. Letters must be signed and the Post Office address of the writer given. This newspaper will print "Letters to the Editor" if, as, and when space permits, and provided such letters are reasonably well written and contain no objectionable language or expressions in the judgment of the Editor, which shall be final).

On March 16 last, there appeared in the columns of this newspaper under the heading "Letters to the Editor" a communication bearing the signature, "M. B. Pfister". The letter concerned Councilwoman Kathie Zahn, and the Albany Citizens Committee.

We subsequently learned that this letter actually was written by Mrs. Marjorie E. Keck, wife of Councilman Leonard Keck, whose address is 1223 Portland Avenue, Albany, and that Mrs. Keck had used her maiden name for her signature.

STATE FARM
CUTS CAR INSURANCE
RATES FOR MILLIONS

A new rating plan from State Farm reduces rates for many careful
drivers. It's a pin-pointed system for determining the rate that's
right for YOU personally. It matches you with one of nearly 100
driver classifications—according to your age, your sex, your family
members who drive your car, where you drive, how much you
drive, and what you use your car for. It's more accurate in determin-
ing your fair rate. And whatever your classification, you're pretty
sure to pay less with State Farm than most folks pay elsewhere.
